

IF IT HAPPENS
IT'S HERECHAPMAN WILL
RUN VAILSBURGTakes Charge of Newark Track
for Balance of Season
and Next Year.

Newark, N. J., Sept. 10.—Beginning this afternoon there will be a change in the management in the local Velodrome cycle track and from now on Johnnie Chapman, the Salt Lake City cycle race promoter, and one of the best known sportsmen in the west, will be in charge. The negotiations to put Chapman in as manager at the Velodrome were completed this morning. The terms call for him to continue as manager next season also. This will mean that the majority of riders who have been in Salt Lake this season will be here next summer, when the cycling game in the east will see one of the biggest revivals in its history.

I intend to put my best energies into the Velodrome, says Chapman, and I hope to give the people of Newark some high class cycle racing. Clarke and Mayer, the Australian and Canadian riders, are under contract to me to ride until October, and next year I will have the same men back here. I will also have several others. I wired De Mara, Hollister and Downing last night to come on here at once from Salt Lake City, and they will probably be here before the week is out. With these and MacFarland added to the riders already here we will have the greatest set of stars the game has ever seen.

Chapman is a native of Atlantic City, who he says is a great rider. He also praises Frank Kramer, whom he brought to Salt Lake City last summer, and predicts a great series of battles between Clarke and Kramer. He says there has been a mistake in the announcement that Kramer's time of 51.5 seconds, made in the half-mile last Sunday, is a world's record. Clarke's time is 53.5, which is still the best figure. Chapman also speaks well of De Mara, who has recently graduated from the amateur ranks.

Chapman is a native of Atlantic City, and is a former rider. He broke into the game with Bobby Walther and has taken part in many races, as well as following the sprint game. Last season he managed the Salt Palace track at Salt Lake City, and has been in the game of the Salt Palace in the same city. Racing there closed last week.

Before leaving Salt Lake Chapman announced that he would run a track at Denver next year, and also that he would manage the Salt Palace track.

Some coal burns up in a hot, fierce puff—gone, and the fire is out. This is a poor coal, especially for winter, isn't it? You like a coal with some constancy and body that will give a good, steady fire all night. This is one reason we like Clear Creek coal so well.

U. S. A.FORMER U. COACH HERE
LOST MONEY ON HERMISHarvey Holmes Goes to Denver to
Take Charge of
D. A. C.

Harvey Holmes, formerly coach of the University of Utah, and the past five years at the head of athletics at the University of Southern California, is in the city on a visit. Holmes arrived yesterday from the coast and spent the day looking up old friends and talking over old times.

Holmes is on his way to Denver, where he takes charge of athletics at the Denver Athletic club.

Holmes was the first paid athletic coach in the state of Utah, and did a great deal toward putting Utah in the place it now holds in athletics. His work was the pioneer nature and was started at a time when the U. of U. was a sort of joke.

He found the same conditions in Los Angeles and has succeeded in placing the school there upon the athletic map of California. Holmes says he will take up his new work with a great deal of pleasure, as it will not be nearly so exacting.

Red Bank, N. J., Sept. 10.—Hermis, one of the greatest race horses of the American turf, winner of the Suburban handicap in 1904 and other rich and historic fixtures, was sold here at the disposal of the breeding farm of E. R. Thomas for \$900. "Charlie" Hughes, the man who developed him for H. M. Zeigler, was the buyer. E. R. Thomas bought Hermis from L. V. Bell for a price paid to be \$40,000.

Seventy-one horses, representing an outlay of over \$100,000, were sold for \$17,400, an average of less than \$250 a head. Lady Amelia, one of the best sprinters of her day, brought the top price, John E. Madden getting her for \$4,000. Golden Garter was knocked down to James B. Haggin, his original owner, for \$1,000.
